

Midvale At A Glance

International Baccalaureate Primary Years Programme World School

Dear Midvale Families,

Once again Midvale is paving the way for greatness. Earlier this week Midvale completed another PYP evaluation phase. The preparation for this evaluation process has been ongoing for the past several months. Our staff has spent a great amount of time in groups, gathering evidence, and writing summaries of findings that will lead to strengthening our school-based inquiry. Visiting IB evaluators spent Monday and Tuesday reviewing our documentation and assessing the implementation of Midvale's IB program. By the end of day two our visitors had many positive things to say about Midvale. The one comment that resonated throughout their stay was the level of commitment exhibited by our teachers and the importance of always keeping the needs of students at the forefront, a practice that is embedded in everything that we do. I'm very proud of the work put forth by our students and faculty. The IB evaluation team witnessed only a snippet of what others observe on a continual basis. Kudos to our staff for a job well done. The official recommendation will not be shared with us for another 7 – 8 weeks, we will keep you posted on our progress.

As always, thanks for your continued support.
