

Midvale At A Glance

International Baccalaureate Primary Years Programme World School

Dear Midvale Families,

One of our biggest goals for the year is to help your child feel successful and achieve academic excellence. By working together as parents and educators, we can build a foundation of life-long learning. As I travel throughout our classrooms daily, I observe dedicated staff working with students and implementing great instruction as they set high expectations for their learners.

As principal, I invite you to take advantage and become part of Midvale's learning community. We take pride in our relationships with parents and see you as a partner in the important job of educating the children of this community. Parents are encouraged to participate in open, honest and continuous dialogue with your child's teachers to sustain strong home and school communication.

Our staff realizes how important parent support factors into the success of the child. Parental involvement is essential and is attributed to the solid partnership that exists between student, parents, staff, and community. We encourage you to support the school, teachers, and the different programs that have established high expectation for student achievement and conduct. Your positive effort and support is the perfect recipe for positive outcomes. As always, if you have questions or concerns, please don't hesitate to call or email me.

I thank you for the opportunity to serve you and your family in this community.

Debbie Satterfield

Principal

Dates To Remember

9/1	Spirit Wear Day (Wear your favorite Midvale T-Shirt)
9/4	Labor Day: No School

9/12	Principal's Coffee and Conversation 7:15AM-8:00AM
9/29	Field Day (PreK-2) PTA Dance
10/4	Field Day (3-5)
10/5-9	Fall Break (No School)

The parking lot is an area where we must ensure and monitor all safety precautions possible for the safety of students and pedestrians. When arriving to school by car it is important that students remain in their cars until they can safely be escorted by an adult chaperone. Remember that your child's safety is a top priority and the extra time that you may have to wait is definitely worth the safety of our students. Parents are encouraged to follow all safety rules during drop off and pick up:

- Please drive slowly in the parking lot and be aware of crosswalks.
- Students may be dropped off in car lane between **7:05AM and 7:35AM**.
- Make sure you are dropping off your child along the **curbside** of the vehicle only.
- Do not double park vehicles in the drop off lane as this creates a dangerous situation for the children who must then cross in front of the other cars to enter the building.
- Do NOT pull around other cars to exit the line, pull up as far as possible during student drop off.
- Ensure that your child is ready to exit the vehicle upon arrival.
- PLEASE Do NOT hold up the line by sitting in your car. The longer you sit, the longer those behind you must wait.

Students arriving **after 7:45AM** must be escorted to the office and signed in by an adult before proceeding to class. If your child is having trouble leaving the car, please pull around to the parking lot and walk them into the building.
